## SERIOUS ABOUT BEAUTY

From fifteen years of research, Dr. Perricone was able to develop solutions to keep skin and bodies healthy and youthful-looking. He didn't accept the idea that fine lines and wrinkles are an expected part of the aging process. He found that the inflammation caused by poor nutrition, sun exposure, stress, and irritating skincare treatments was the true culprit behind the damage to the body. For more than two decades, Perricone MD has been a holistic, three-tier skincare and wellness system. This consists of diet, essential dietary supplements and potent topical skincare solutions backed by powerful ingredients.

### 为美丽绝不敷衍

经过长达十五年的研究，裴礼康医生终于找到方法，使肌肤与身体保持健康与年轻状态。他并不认为随着年龄增长，细纹和皱纹就势必增加。他发现由营养问题、日晒、压力及刺激性护肤品等因素才是导致皮肤衰老的“罪魁祸首”。在过去二十多年间，裴礼康品牌已为护肤及养生构建了一个全面的三层体系。该体系包括膳食设计、关键性膳食补充以及含有强效成分的局部滋养护肤方案。
