Detrás de CODAGE: unos hermanos y una historia actual

*Behind CODAGE,
a brother and sister,
a modern story*

CODAGE Paris es una casa moderna de cosmetología francesa fundada por Julian y Amandine Azencott, unos hermanos que crecieron con la admiración a una familia que se desarrollaba en el ámbito médico y farmacéutico. Apasionados de la salud y la belleza, quisieron dar un soplo de aire fresco a la cosmetología. Convencidos de que cada piel es única y merece ser tratada de forma especial, los fundadores de CODAGE deciden devolver todo su prestigio a la noción de servicio.

CODAGE Paris is a contemporary House of French cosmetology founded by Julien and Amandine Azencott, a brother and sister who grew up admiring their family, which was active in the field of medicine and pharmaceuticals. Passionate about health and beauty, they aspired to breathe new life into cosmetology. Convinced that every skin is unique and deserves its own special treatment, the founders of CODAGE decided to reestablish the prestige of the idea of service.

Los productos de acogida ecodiseñados de CODAGE se ajustan perfectamente en el programa Care About Earth del Groupe GM, contribuyendo así a reducir su huella medioambiental. Las fórmulas están certificadas como veganas, sin OGM ni gluten, sin parabenos, sin siliconas y contienen hasta un 98% de ingredientes de origen natural.

CODAGE eco-designed amenity range is fully in line with Groupe GM's Care About Earth program and contributes to the corporate effort to lower its impact on the environment.

The formulas are certified vegan, gmo and gluten free, are free of mineral oils, parabens, silicones, and contain up to 98% ingredients of natural origin.*
